
MY PERSONAL SAFETY ACTION PLAN

Mike Bennett, Head of Key Accounts

May 2025

Communication:

- I will ensure H&S is a primary focus in our client strategies, driving H&S excellence to the forefront of our engagement with clients and looking to drive a H&S first culture within our account base
- I will ensure our clients provide environments that are safe for our colleagues to operate within. Providing regular feedback of our findings and ensuring any actions needed are taken. Ensuring **Safe Places, Safe People**
- As a team we will ensure that environmental impacts are a focus point within all client solutions and innovation

Delivery:

- I will ensure my team have the correct training and awareness for how they can positively impact H&S across the business and our client estates.
- I will ensure H&S is an agenda item in all client performance meetings, identifying safer ways of working and the changes needed for our colleagues and clients to be safe.
- I will ensure all areas of the business feel comfortable to raise concerns regarding H&S within our client estates, so as a team, we can work together to provide improvements in safety
- I will drive safely and use my mobile phone appropriately

Ownership:

- I will ensure that safety is regularly reviewed within the team and best practice is shared across our client accounts
- I will champion the importance of H&S being the primary discussion point with clients.
- I will ensure all Near Misses and Accidents are provided to our clients. Driving the changes needed to ensure the necessary ownership and actions are taken
- I will carry out at least six Safety Visits per year

At McIntyre Compliance Services we have a legal and moral obligation to foster a strong health and safety culture. This is good for our people and good for our business. We will always work to ensure the safety of our people and other stakeholders.
